Agenda:

Started work from Article 2.08 and made our way through Article V.

Discussions:

We want to make sure residents are informed. Need to present the Charter as not taking away power from residents. We do not want to alienate anybody.

Looking at getting a survey together to send out to other Charter communities to see how they are running things.

Next Meeting:

Next meeting will be February 21st.

We need to revisit section 3.03, section 5.02, section 5.05, and section 5.06.

Would like to discuss at each meeting public comments and concerns.

Adjournment:

The meeting was ended at 9:45pm.
