## CITY OF MT.HEALTHY VARIANCES AND APPEALS FLOOD DAMAGE PREVENTION ORDINANCE

A "variance" is a grant of relief given by a community from the terms of specific standards required in its flood plain regulations. The issuance of a variance is for flood plain management purposes only. Insurance premium rates are determined by statute according to actuarial risk and will not be modified by the grant of a variance. ANY VARIANCE GRANTED BY A COMMUNITY MUST BE CONSISTENT WITH THE NFIP GUIDELINES AND WITH LOCAL LAW.
