

MT. HEALTHY CITY COUNCIL WORK SESSION
December 5, 2023

Tonight's Topic: Safe Streets

Work Session called to order by President of Council at 8:00 p.m.

- Speed
 - Length determines how you should go over.
 - Speed Humps
 - On Niagara, 7 feet long
 - Speed Tables
 - Traffic calming 20 feet long

- First Set of Speed Humps
 - \$6,800, 14 feet long
 - Placed on west side of Adams Road
 - One kit, four sections
 - Not permanent
 - Anchor in street, bolt down

- Look @ 40 mph + for Elizabeth and St. Clair
 - Signs will be needed to warn drivers.

- See if street scape money can be used to get speed hump sets.
 - Old money (2021-2023) can be spent next year.
 - \$70,000 towards playground

- More of a need for speed humps. Put in 2024-2026.

Work Session ended at 8:35 p.m.
