- 4) Liquor Establishments/Apartments**

For August, the Mt. Healthy Police Department strengthened our road patrol with the release of Officer Nared and Officer Robers from Field Training. Both officers are performing well. We have increased our traffic enforcement operations with a total of 213 traffic stops made in the month of August. We also continue our efforts regarding parking enforcement on roadways as well as city owned parking lots. We conducted our Citizen Use of Force Review Board. A total of 35 cases were reviewed. All were found to be within policy. Some suggestions were given regarding continued training in de-escalation training and training involving contact with people suffering from mental health issues. Mt. Healthy PD is currently conducting these trainings. We continue to use our Chaplaincy Program to assist our public and our officers. It has been a good start to the school year with limited traffic issues. Springfield Township and North College Hill have installed Flock camera systems and are sharing their systems with us. The Flock system has proven to be a valuable resource for Hamilton County Law Enforcement. We are in the process of switching out Police Car 3 with the newly acquired Police Car 7. Police Car 3 is the oldest in the fleet.
