

Mount Healthy Police Department

March 2024

Report to the City Manager

- 1) Chief's Report**
- 2) Council Report**
- 3) Crime Trends**
- 4) Liquor Establishments/Apartments**

Mt. Healthy Police continue traffic and parking enforcement efforts with 185 traffic contacts in March. Directives have been given to step up traffic enforcement in the spring and summer months. We have several Community Oriented Policing events planned to include a safety seminar for the elderly AHEPH Senior Living and a safety drill with Mt. Healthy Prep and Fitness Academy.

Det. Ben Jones has fully transitioned into the Detective position and has taken several cases. We were called to a shots fired complaint at Clovernook Apartments. With the help of patrol officers, the juvenile suspect was apprehended and charged.

Efforts continue toward the 7426 Werner Avenue address in declaring the residence as a nuisance property based on the call history and the continued problems that the residents cause. We are working with the Law Director to know how best to proceed.

With the possible departure of Officer Roth, Officer Seaman has been moved to the roll of OIC for his shift. He is scheduled to attend supervisor training in the next few months.

The ADP payroll system has cut down on paperwork and streamlined the payroll process, leave request processing and overtime recording tremendously.

We have begun to look at capital projects for 2025 which will include new MDC's for the cruisers and a replacement cruiser.
