

CALEA

Since 2019, the Mt. Healthy Police Department has participated in the Commission on Accreditation for Law Enforcement Agencies (CALEA) Law Enforcement Accreditation program. A part of this process includes an opportunity for public feedback which was previously accomplished with in person interviews once every 3-4 years. In an effort to allow greater public access, public feedback may now be given via the CALEA Public Comment Portal, which can be accessed via this link: <http://cimrs2.calea.org/1082> The Public Comment Portal is maintained by CALEA and directs the commenter to the CALEA website. Feedback provided goes straight to CALEA and is not provided to the Mt. Healthy Police Department.

The purpose of the Public Comment Portal is to receive comments regarding our agency's compliance with CALEA standards, engagement in the community, delivery of public safety services, and overall candidacy for accredited status. These comments can be in the form of commendations or suggestions for improvement. The overall intent of the accreditation process is to provide our agency with information to support continuous improvement, as well as to align our practices with law enforcement best practices nationwide.

It is important to know that CALEA is not an investigatory body and subsequently the public portal should not be used to submit information for such purposes. Additionally, there will be no response other than acknowledgement of submissions; however, the information will be considered in context to its relevancy to compliance with standards and the tenets of CALEA Accreditation.

If you have questions about our agency, standards, or the process, please call the Mt. Healthy Police Department CALEA Accreditation Manager: (513) 728-3183.
